

LIFTING HOOK for Fork lift

FLH 1

Balance with hook for fork lift

FEATURES

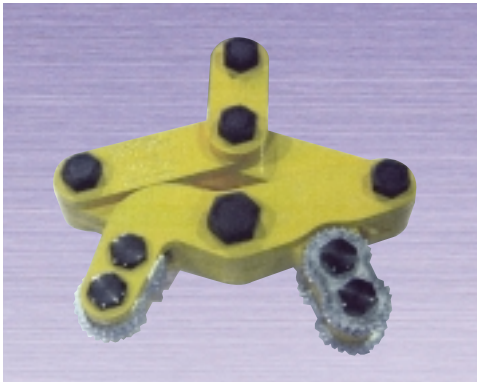

Attaching of the balance will change a fork lift to a mobile crane.
Only tighten the securing bolts to fix the balance.
The latch is attached to the swivel hook for omnidirectional-operation and is vibration-proof.

SPECIFICATIONS

(Unit : mm)

| Item No. | Rated capacity (ton) | Applicable hooks of fork lift (mm) | | Weight (kg) |
|----------|----------------------|------------------------------------|-----------|-------------|
| | | Width | Thickness | |
| FLH 1 | 1 | 70 ~ 120 | 15 ~ 40 | 12 |

PALLET PULLING CLAMP (Customized product)

PLC0.5~2

APPLICATIONS

For moving wooden pallets to unload the goods from the box truck.
Clamp for pulling in a loaded pallet from a place unreachable by the fork of a forklift.

SPECIFICATIONS

| Item No. | Rated capacity (ton) | Jaw opening (mm) | Weight (kg) | Remarks |
|----------|----------------------|------------------|-------------|---------|
| PLC 0.5 | 0.5 | 25 ~ 75 | 10 | |
| PLC 1 | 1 | 50 ~ 100 | 13 | |
| PLC 2 | 2 | 75 ~ 125 | 16 | |

CHAIN SLINGS

Dual lifting Chain Slings

Single lifting Chain Sling

CSC 6SS ~ 10S

CSC 6D ~ 10D

FEATURES

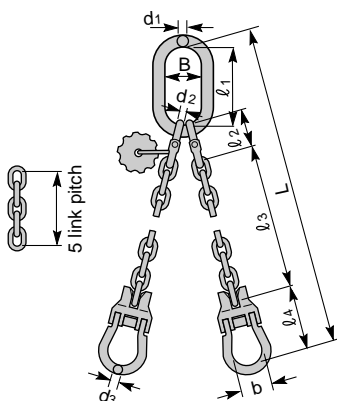

- Chain slings can be directly connected to the SUPER lifting clamps.
- These lightweight and durable chain slings are made in accordance with Japanese Industrial Standard.
- Each sling chain is supplied with a tag that gives information on the maximum capacities for specific lifting angles.

Single lifting chain sling, CSC-S series

| Item No. | Full length (mm) | Chain length (mm) | Rated capacity (kg) |
|----------|------------------|-------------------|---------------------|
| CSC 6SS | 780 | 518 | 1000 |
| CSC 6S | 1280 | 1018 | 1000 |
| CSC 8S | 1819 | 1512 | 2000 |
| CSC 10S | 1831 | 1480 | 3000 |

Dual lifting chain slings, CSC-D series

| Item No. | Full length (mm) | Chain length (mm) | Rated capacity for lifting angles under 90° (kg) |
|----------|------------------|-------------------|--|
| CSC 6D | 1779 | 1517 | 1400 |
| CSC 8D | 2311 | 1992 | 2800 |
| CSC 10D | 2387 | 2023 | 4200 |
